AVERAGE 761 PER GAME

Johnny Vaeth Leads Locals in Rubber-Banded Pin Contest With 870.

George Isemann's Crescents, of this city, broke all rubber-banded duckpin records for West Virginia last night when they rolled the Martinsburg All-Stars, at Martinsburg, and defeated the latter by a margin of 221 pins, 3,807 to 3,586. The occasion was the opening five games of a ten-game series, the second section to be contested here on a date to be decided

### Vnoth Best Performer.

Johnny Vaeth, who performed at anchor for the Washingtonians, was the star of the match. The blondtopped star knocked down 870 maples for an average of 174, and tied with

Harry Halley, his teammate, for the high game of 204.

From start to finish the visitors held a margin, the Martinsburgers winning only one game. This was the third one, in which Isemann's team obtained its smallest total, 677. against which the opposing rollers pitted 719. The Washington quint

averaged 761 per game.

Isemann, low man of the visitors, and Caskey, of Martinsburg, picked five straight spares, which held down their totals.

Two Thousand Speciators. A crowd of nearly 2,000 watched the match, but, according to reports from the West Virginia town, the two Washington "nuts," Oliveri and Wooden, made the most noise. After the rolling the visitors were entertained at a banquet as the guests of the home team.

Isemann's teams beat the former record for intercity matches between Washington and Martinsburg by 494 pins. The scores: ISEMAN'S CRESCENTS.

## POSTOFFICE BEARS COST OF NEGLECT

Careless Patrons Cause Heavy Expenditure and Loss to Selves in Dead Letters.

Are the American people careless? There are two women in Washington who have every reason to believe that they are. These women are Miss Clara R. A. Nelson, cashier of the Dead Letter Office, and Miss Annie Monroe, who places a value on and classifies the great mass of strayed mail packages which flow into the Dead Letter Office.

During the fiscal year ended last June Miss Nelson was the custodian of \$100,-000, of which amount \$63,696.84 was taken from letters which went astray in the mails. The balance was realized from the sale of articles in the Dead Letter

Opens All Letters.

It is Miss Monroe's duty to open the packages which go astray and value and classify the articles, which range from wedding rings to safety razors, and from wagon paris to clothes washers.

An interesting story of the workings

of the Dead Letter Office is contained in the January number of the Postmas-ter's Advocate, in which it is pointed out that in Washington alone thirty-five thousand improperly addressed letters are received each week.

Washington, being the main office of the railway mail service for the Third division, receives all the stray parcel post packages for the division, and following the Christmas rush a queer collection of Yuletide gifts, which were carelessly addressed or came open in the mails, ended their journey here.

Among them were the following: Six suit cases, a couple of hams, a fifty-pound sack of coffee, a number of canes and umbrellas and a battery of alarm clocks.

In one broken pasteboard box was a quart bottle of whisky wrapped loosely in an old shirt. It bore the inscription, "Christmas greeting, from Bill to Jim," but, alas, Jim will never know that Biff thought of him this Christmas.

This division is not directly con-Totals .... 519 457 492 Totals .... 469 478 488 nected with the Dead Letter Office. This office also handles all mail which Washington carriers are unable to de-

Employes of the office are called "blind readers," whose duty it is to read "hen scratching," which apparently no average eye could straight en out. They are trained in common sense, and their only tools are city directories, telephone books, and postal guides.

How They Are Handled.

If they fail to find an address, or if, as often happens, the addressee has moved to some other location, the 1. Nathan B. Williams, of the Arkansas Society, was elected president, with Joseph J. O'Brien, a patent attorney, of the California Society, as secretary. The president will name an executive committee within the next few days to draw up a constitution and name, to be presented for approval at the next meeting.

The federation is planning to con-duct a general headquarters for vis-itors from the States represented in the federation during inauguration week, and Snowden Ashford, municioal architect, notified the delegates last night that the old quarters of Engine Company No. 3, at Delaware avenue and C streets, recently abandoned, could be used as inaugural headquarters.

To Ask Chambers' Aid.

The federation will urge the United States Chamber of Commerce at its fifth annual meeting, which begins January 31, to support the State exhibit plan. The present plan is to have the Government furnish the land and have each State erect its own building.

Charles S. Shreve, president of the Federation of Citizens' Association. explained the plan to have a temporary exhibit here during inauguration week of the activities of the various Government departments.

Among the State societies represented at the first meeting of the federation last night were Arkansas, California, Maryland, Nebraska, Mississippi, Missouri, West Virginia. South Dakota, Indiana, Florida, Kentucky, and New Hampshire.

WILL DISCUSS PROHIBITION. The referendum on prohibition and other important District questions will be discussed at a meeting of the Central Citizens' Association at the North Capitol Savings Bank Monday at 8 p. m. Martin J president, will preside.

### **BETTERTHAN CALOMEI**

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Sub titute

Dr. Edwards' Olive Tabletssubstitute for calomel-are a mild but sure laxative, and their effect on the liver is instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts brought out The Committee headed by Mrs. these little olive-colored tablets.

pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.
